

sore throat and Helen Sch.
has a cold also. This is Institute
week and no school in our
township.

We stopped at Grauchna's
Sunday night found her
in bed! she is coming up
this week, she gave Helen
her gold pen with a pearl
handle, one of her most-
prized belongings. will go
and see what I can find
to send you, - guess you
will have to rig yourself
up as good as you can
Love from us all
Lovingly Mother.
